C. FACTUAL BASIS/NATURE OF CASE:

11. Paragraphs one through ten of Plaintiffs' Complaint are incorporated herein by reference as if set forth in full.

12. On or about November 24, 2012, during the early morning hours, the foregoing Decedent, Juan Bonilla, Jr., while in the company of other friends, patronized at private club known as the Veterans Political Association (a/k/a and hereinafter referred to as Ada's), which is located at 807 Loucks Road, York, Pennsylvania 17404.

13. During the course of the Decedent's, Juan Bonilla, Jr.'s, patronage of Ada's Nightclub, a dispute had arose inside the private club, which initially did not involve the Decedent, Juan Bonilla, Jr.

14. During the course of the dispute, the Decedent, Juan Bonilla, Jr. became involved and gunshots were fired inside the private club, after which time, the patrons began to quickly exit the club, including the Decedent, Juan Bonilla, Jr.

15. While outside the private club (Ada's), the Decedent, Juan Bonilla, Jr., did in fact fire multiple shots at the individual, who was also involved in the dispute by the name of James Fudge.

16. During the course of the foregoing incident, the Decedent, Juan Bonilla, Jr., moved Southward from Ada's parking lot to the parking lot of Royers Flower Shop located adjacent to the private club (Ada's) located on Loucks Road, (Route 30), York, Pennsylvania.

17. As a result of the dispute and the shots fired, York County Control sent a dispatch out to the York City Police Department which was initially answered and responded to by Defendant, Rosen of the York City Police Department, as well as by Defendant Jordan of the West Manchester Township Police Department.

18. The incident had occurred within the jurisdiction of the York City Police Department; however, given the close proximity of Defendant Jordan of the West Manchester Township Police Department, and the nature of the dispatch, Defendant Jordan also responded to the scene.

19. Defendant Roosen, was the first to respond to the scene, with Defendant Jordan, responding shortly thereafter, as well as other officers from the York City Police Department responding as well.

20. Defendant Roosen and Defendant Jordan parked their police vehicles near the establishment known as Haller Heating and Cooling, which was the only means of ingress and egress in relation to the scene.

21. Both Defendants Roosen and Jordan observed the Decedent, Juan Bonilla, Jr. moving away from Ada's parking lot and onto the sidewalk located next to Royers Flower Shop.

22. Defendant Roosen took up a position behind the Decedent, Juan Bonilla, Jr. and watched as the Decedent was firing shots in the opposite direction towards Route 30.

23. During the course of the incident, Defendant Roosen, who was armed with a .40 Caliber automatic handgun, emptied his clip firing 15 shots while attempting to strike the Decedent, Juan Bonilla, Jr. and in an effort to stop the Decedent from continuing to shoot.

24. Defendant Jordan also fired upon the Decedent, Juan Bonilla, Jr., several times from his position near Haller Heating and Cooling, which would have been to the East of Decedent's left hand side.

25. During the course of the exchange of fire, the Decedent, Juan Bonilla, Jr., was initially struck by a bullet which penetrated his left thigh.

26. Simultaneously with being struck in the left thigh, the Decedent immediately dropped his firearm and began to hobble Eastward through the Royers Flower Shop parking lot towards the position that was occupied by Defendant Jordan. Defendant Roosen witnessed the gun being dropped but later indicated that he was unsure if what the Decedent had dropped was a gun or not despite the fact that Decedent did not fire any more shots.

27. As Decedent reached a grassy medium strip that separated Royers Flower Shop parking lot from the parking lot/driveway of Hallers Heating and Cooling, the Decedent stumbled over the curb and fell to one knee.

28. While on his knee, the Decedent, Juan Bonilla, Jr., raised his hands as if to surrender, and addressed Defendant Jordan by making a statement to the effect "yo, yo, really?" at which time the Decedent, who was unarmed, collapsed face down into the grassy medium area.

29. At this point in time, the Decedent had traveled approximately 65 feet from the area where he was initially shot in the left thigh and dropped his gun to the location where he had collapsed in the grassy medium.

30. While the Decedent laid unarmed in the grassy medium, Defendant Jordan had admitted to firing an additional shot, taking aim at the Decedent's chest area while the Decedent laid face down on the ground attempting to roll on his side.

31. According to the Pennsylvania State Police ballistic analysis report; the Pennsylvania State Police Laboratory was unable to be confirmed as to which of the two Defendant Officers had fired the fatal shot that had entered the Decedent approximately in the middle of his back, (1&2 inches to left of the midline), 11 inches from the top of his shoulder, proceeding upward approximately 1 and ½ inches to the left of the midline and traveling upward towards Decedent's

left shoulder, piercing his heart and fatally wounding the Decedent.

32. At the time when Defendant Jordan shot at the Decedent while he was on the ground, Defendant Jordan was located approximately 10 - 15 feet away from the Decedent.

33. After conducting an independent investigation into this matter, it was concluded that prior to being fatally shot, the Decedent had been unarmed for some time, having hobbled approximately 65 feet from the point where he was last armed, and after hobbled across the parking lot, the Decedent had raised his arms in an effort to surrender prior to collapsing and being fatally shot.

34. Based upon the foregoing information, it was concluded that prior to the time that the Decedent was fatally shot by either Defendant Roosen of the York City Police Department or Jordan of the West Manchester Township Police Department, the Decedent was unarmed, and attempted to surrender, thus rendering the use of deadly force unnecessary, unjustified and thus, excessive.

35. As a direct result of the unjustified use of deadly force, the Decedent, Juan Bonilla, Jr., lost his life.

COUNT I

**The Estate of Juan Bonilla, Jr. by and through his Personal Representative,
